How to make a donation to the Qantas Foundation Memorial Ltd

The Qantas Founders Museum is a project owned by Qantas Foundation Memorial Ltd (QFM). Qantas Foundation Memorial Ltd (QFM) is independent of Qantas Airways and is a non-profit trust company established by the people of Western Queensland to honour those pioneers who founded Qantas and to preserve the heritage of Qantas Airways.

QFM is registered with the Australian Taxation Office as a deductible gift recipient and donations over \$2 may be tax deductible.

Australian Federal and State Governments have donated more than \$20 million and Qantas more than \$2 million towards the establishment of the museum and other major museum projects. Other significant companies have donated towards the preservation of our aviation history. Stage 1 – the original Qantas Hangar, Stage 2 – a large modern air-conditioned display Museum building and Stage 3 – an Air Park Roof covering the museum's significant aircraft including the B747, B707, Super Constellation and the DC3 are all completed.

Current fundraising is focused on these exciting developments where your contribution will be very well spent:

- A spiral Walkway around the edge of the Airpark Roof providing spectacular views and enhanced disability access;
- A protective Roof for our Consolidated Catalina which will also improve visitor comfort;
- Repainting our B747 and rejuvenating our B707 and DC3 liveries;
- Refurbishing the Old Terminal Building to create a grand precinct entrance and expanded restaurant/shop.

There are many ways you can donate to the Qantas Foundation Memorial, these include:

- Make a tax deductible donation (over \$2)
- Donate shares, bonds etc or include QFM as a beneficiary in your will
- Donate suitable artifacts
